

THE PREMIER ONLINE DONATION PLATFORM

RAISE MORE MONEY IN LESS TIME WITH LESS EFFORT

RAISE OVER 3X MORE

As you know, technology has changed the way we live. From checking our email, to the weather; we use technology to make our lives more efficient. The Wefund4u Online Donation Platform does just that and brings numerous technological advancements into your fundraiser.

By harnessing the power of the internet and combining email, Facebook, Twitter, Google Plus and text messaging with long established fundraising principles, we have created an easy step-by-step process that will quickly raise more money than you ever thought possible.

HERE'S HOW IT WORKS:

1. Students join the fundraiser online
2. They input emails & post to social media
3. The Online platform does the rest
4. Your organization collects the money
